Key programs

CMC Rocks The Snowys

CMC Rocks The Snowys is a music festival like no other. Big country acts from here and abroad in a 2-day massive event. CMC was there to capture all the action exclusively for its viewers. Go behind-the-scenes for all the antics and go on stage for live performances from Gary Allan, Jim Lauderdale, Adam Harvey, Catherine Britt, Steve Forde and more.

Crook and Chase

Charlie Chase and Lorianne Crook have worked together on all things country music for 25 years. As presenters and interviewers, the popular duo bring you a weekly, one-hour show on the artists and hits that continue to keep the country music scene rolling! The programme features interviews and performances each week and includes a big star, a star from yesterday and a rising star.

Pro Bull Riding Series

The rules are simple. Place a cowboy on the back of a hulking, snorting, temperamental bull and see if he can ride the beast for an eternal eight seconds. Follow all the rough, riding action on CMC as the 2009 PBR Tour works its way through the USA and finishes in Las Vegas for the national final in December.
