

FOR IMMEDIATE RELEASE: FRIDAY 23 JULY

KASABIAN BRINGS THE ROCK 'N' ROLL LIVE TO CHANNEL [V]

Gods of rock, the UK's **KASABIAN** tore the friggin' house down then set it on fire, in an exclusive performance for Channel [V]'s **[V] LIVE** concert series last night.

In front of a crowd of 450 fortunate fans, the four-piece exploded onto the stage, immediately reminding us why they are fast becoming one of the world's most impressive live acts, all the while dripping with raw sex appeal. Taking over Trak Lounge Bar in Melbourne, Kasabian roared through some of their biggest hits, as well as tracks from their latest album '**West Ryder Pauper Lunatic Asylum**'.

The band kick-started their mind-blowing **[V] LIVE** set with *Shoot the Runner* and guests including Rob Nassif (Gyroscope), Declan Melia (British India), Karl Ammitzboll (Kisschasy), Miami Horror and Dash & Will, quickly had pure Kasabian rock pumping through their veins.

Throughout the 60min set, Tom Meighan, Sergio Pizzorno, Chris Edwards and Ian Matthews fuelled the crowd with high energy and killer riffs as they performed track after track including *Underdog*, *Where Did All the Love Go* and *Vlad the Impaler*. There wasn't a dry pair of pants left in the house when the unexpected show stopping *Fast Fuse*, took the crowd to a new level of aural ecstasy.

[V] LIVE: KASABIAN as hosted by Channel [V]'s DANNY CLAYTON, BILLY RUSSELL and KYLE LINAHAN who, with the crowd, got Kasabian back on stage for an unforgettable encore of *Fire* and an unplanned performance of crowd favourite *LSF*. But everyone was still left wanting more from the band that was honoured as Best British Group at this year's Brit Awards.

So are you bummed that you missed out on what is without a doubt the most high octane **[V] LIVE** ever? Have no fear coz you can experience all the rock n roll on **Saturday 21 August at 12noon** when Channel [V] premieres **[V] LIVE: KASABIAN**. A whole hour dedicated to these Gods of Music featuring backstage interviews, and of course, that phenomenal performance. Put the date in your diary, or your phone, or stick a post it note to your telly, coz this is one show you do not want to miss!

Channel [V] is doing what it does best and giving its audience what they want – live music, for free, from your favourite international and local artists. Stay tuned, because there's more coming!
