## Additional Info

This ad unit can be either Foxtel Media site served or 3rd party served.

- If banner is white- a one pixel border of a contrasting colour/tone must be present on all frames of the ad.
- Max x2 looping
- No strobing allowed
- Click through must open in a new tab or window
- If you opt to replace a creative or add new creative for rotation on LIVE tags, please alert Foxtel Media ad operations to QC before deploying
- CPU must have a max 20% load. Any ads submitted which cause excessive CPU load or hinder user experience will not be accepted.

**Note:** Foxtel Media reserves the right to request changes to content and/or implementation following testing if the above is not adhered to. Specifically Foxtel Media reserves the right to remove or reject any material which:

- Is misleading, false or illegal and does not comply with state and national regulations;
- Contains but is not limited to sensationalised violence, crime or vulgar activity;
- Promotes stereotypes based on gender, race, sexuality or religion;
- Is provocative in nature and upsetting to the site audience or channel partner;
- Negatively impacts the intellectual property and equity of the wider Foxtel Media network;

Advertisers have a responsibility to observe our network policies and provide transparency towards our ad specifications and timelines.

**If you are a gambling client, please ensure your digital creative are compliant with the online rules & legislations specified by the Australian Communications and Media Authority (ACMA). You will also need to ensure that you follow any state laws surrounding the promotion of gambling promotional content.**
