Additional Info

The Hangtime Unit allows you to align your brand with Foxtel Media in way that has previously only been available for desktop advertisers.

- The Hangtime is applied on page load with the user scrolling into the unit
- Clicking on 'Skip' will automatically scroll the user through the content
- Skip button is compulsory, cannot be customised and is located in the top right hand corner
- Maximum 3 swipes for user to scroll past Hangtime
- If you opt to replace a creative or add new creative for rotation on LIVE tags, please alert Foxtel Media ad operations to QC before deploying
- Deliverables (when supplying images and Playground completing the build):
 - Mockups: flat mocks.
 - Builds: final artwork, layered PSDs or vector graphics, animation instructions.
 - Optional: third-party click and impression trackers. Please refer to accepted third-party vendors.
- Supported Reporting:
 - Hangtime impression tracking (3rd party impression tracking supported)
 - Standard banner impression tracking (3rd party impression tracking supported)
 - Standard banner click tracking (3rd party click tracking supported)
 - All interaction events within the reveal panel – swipes, clicks, video plays, etc.
 - Viewability
 - On screen time (seconds)
